

COLOR MEETS *COLLATED*

Works with
AZEK
Deck

Introducing **HEADCOTE®** *COLLATED* for use with **AZEK** Deck

HEADCOTE®, the leading name in color coated stainless steel deck fasteners, now offers collated strips and coils in five AZEK® Deck colors.

- Fasteners for use with AZEK® Deck colors:

Brownstone Clay Ivory Slate Gray White

- Available size: 8 x 2-1/2 trim head
- Available in both Grade 305 stainless and, for marine environments, Grade 316
- Available in both strips and coils for use with the CH7390 Ultra Driver and FDVL41 Speed Driver from **MJRO**
- Available packaging: 100 sq ft pack (strips), 425 sq ft pack (strips) and 250 sq ft pack (coils)
- Ideal for big jobs such as large decks, boardwalks and outdoor decks for restaurants and entertainment venues
- White also works with AZEK® Trim

MJRO CH7390
Ultra Driver

MJRO FDVL41
Speed Driver
