

AUTO FEED SCREW DRIVERS AND COLLATED FASTENERS

LWVL32 - COIL AUTO FEED

The LWVL32 COIL Driver is a must have for any Contractor. **Drywall, Sheet Metal, Wood to Metal Framing and Cement Board Walls and much more.**

This tool does it all. Perfectly balanced for one handed operation and 150 screw easy load coils make for less down time and can be removed to access tight spaces. A two speed motor makes the LWVL32 one of the most versatile tools in our lineup.

- Light weight (4.6 lbs) one handed operation
- Drives 3/4" to 1-3/4" screws
- Repeatable screw seating - no stripping
- Rubber Nose piece protects surfaces
- 2 speed motor for maximum versatility

Customer Support That Counts

When you work with our tools you are backed not only by the industry standard for power, speed, and quality but you have access to our extensive line of fasteners and our knowledgeable customer service staff. Pick up the phone or send an email anytime with questions about the right tools or fasteners for your job and we'll get you on the right track. Our priority is ensuring that your job gets done right.

LWVL32 - COIL AUTO FEED

Light weight and beautifully balanced for handheld stress free production, the LWVL32 is one of our most versatile Auto Feed drivers. 2 speeds and a 150 screw Coil Feed makes this tool a must have for every contractor. You will drive screws all day long with perfect depth control and no stripping. The Coil Feed Drum can be removed to make it easy to access tight spaces and the rubber nose piece protects your work.
