

AUTO FEED SCREW DRIVERS
AND COLLATED FASTENERS

VL62 - SERIES OF TOOLS

The VL62 Series of Auto Feed Screw Driver features 4 different models to fulfill almost any job. **Decks, Docks, Cement board, Sub Floors and Underlayment** installs are a breeze with 100 - 150 screw, easy-load coils and easy adjustable T handle for standup operation.

- Adjustable depth control for repeatable countersinking
- Drives 3/4" to 3" screws for specific applications
- No pre-drilling required even in Exotic Hardwoods like IPE
- No more dropped or lost screws
- 100 - 150 screws per easy load coil
- Work while standing up. Less stress on back and knees
- Adjustable T-handle (detachable for vertical use)
- The tool stands on its own when not in use

Customer Support That Counts

When you work with our tools you are backed not only by the industry standard for power, speed, and quality but you have access to our extensive line of fasteners and our knowledgeable customer service staff. Pick up the phone or send an email anytime with questions about the right tools or fasteners for your job and we'll get you on the right track. Our priority is ensuring that your job gets done right.
